

North Ferriby FC Supporters Club

WhatsApp Group Guide

November 2023

1. The Supporters Club WhatsApp group has been set up as a platform to communicate news and share information across the club.
2. All members have the option to use the group as part of the club membership.
3. The club includes members of all ages and group users must always consider the content of group posts.
4. Individual messages are not moderated prior to posting therefore users are personally responsible for message content and subject matter.
5. Club members will appreciate the usefulness of the group and always use the facility positively, with respect, and in a reasonable and balanced approach.
6. Members should prioritise posting messages via personal social media accounts over group posts
7. To ensure the group continues to offer an effective method for brief and concise communication with other members and to share information, group users must adhere to the following:
 - i. Ensure messages are relevant to the general group.
 - ii. Messages should be sent at reasonable times of the day.
 - iii. No foul, offensive or defamatory language and/or opinions.
 - iv. Use direct messaging with other users for non-group related chat.
 - v. No sharing of any content from WhatsApp groups to personal social media or websites.
 - vi. No messages of personal or business promotions or events.
 - vii. Respect the personal views of other users.
8. Group admin reserves the right to remove messages, users, and/or change the general permissions of the group without notice.
